

KEMENTERIAN PENDIDIKAN MALAYSIA

Kepada Pentadbir Sekolah

Berkenaan Pertukaran Kod Sekolah Baharu

Untuk makluman, Penukaran Kod Sekolah yang baharu akan dilaksanakan bermula **01-Mac-2017**. Kod Sekolah yang baharu akan dikemaskinikan di semua aplikasi-aplikasi VLE.

Berikut adalah senarai perubahan untuk semakan mudah:

#	Entiti Berubah	Asal	Tukar kepada
1	Email ID sekolah	<Kod_Lama>@yes.my	<Kod_Baharu>@yes.my
2	ID Pentadbir VLE	vleadmin.<Kod_Lama>	vleadmin.<Kod_Baharu>
3	URL VLE	<Kod_Lama>.1bestarinet.net	<Kod_Baharu>.1bestarinet.net
4	Laman 1Bestarinet.net	<Kod_Lama>	<Kod_Baharu>
5	ID SelfCare (Kata laluan tidak berubah)	<Kod_Lama>	<Kod_Baharu>

Nota: Sila gunakan kod baharu sebaik sahaja pengesahan ini diterima oleh pihak sekolah. Pengguna tidak seharusnya mengalami kesulitan sekiranya mengikuti langkah-langkah seperti di bawah.

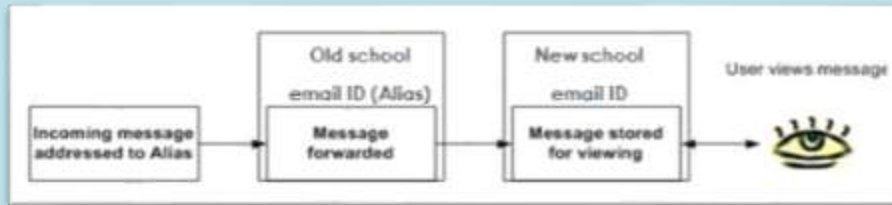

Meja Bantuan 1BN akan menghubungi anda pada masa terdekat ini sebagai **pengesahan** bagi memastikan anda tidak mengalami sebarang masalah setelah penukaran kod telah dibuat. Berdasarkan pengesahan anda, **ID-ID lama** berikut akan di **nyahaktifkan**:

#	ID Lama	Dinyahaktifkan pada tempoh
1	ID Pentadbir VLE	1 minggu selepas pengesahan
2	Email ID Sekolah	1 tahun selepas pengesahan

Arahan kepada Pengguna:

1) Email ID Sekolah

Setelah email ID yang baharu telah di maklumkan, email ID lama akan menjadi **email alias**. Email alias tidak akan mengandungi mailbox atau data simpanan. Sebarang email yang dihantar ke email alias akan di majukan ke email ID baharu. Email yang di hantar ke mana-mana email ID akan muncul di dalam mailbox sekolah. Setelah di maklumkan berkenaan Email ID yang baharu, KPM PMO / Meja Bantuan 1BN akan menghubungi anda dan membuat pengesahan. **Email ID** lama akan **dinyahaktifkan** dalam masa **1 tahun**.

Untuk membiasakan diri menggunakan *email alias*, sila rujuk panduan di bawah:

- *Pengguna boleh log masuk ke akaun email dengan email ID baharu sahaja.*
- *Segala email lama dapat dilihat di dalam email baharu.*
- *Email yang di hantar ke email ID lama akan dimajukan ke email baharu ID.*
- *Apabila pengguna membalas atau menghantar email baharu, penerima email akan melihat email ID baharu.*
- *Setelah tempoh 1 tahun, email ID lama akan di nyahaktifkan dan sebarang email yang di hantar ke email ID lama akan gagal.*
- *Sekolah digalakkan menggunakan email ID baharu sejurus setelah menerimanya.*

2) ID Pentadbir VLE

Setelah maklumat ID Pentadbir VLE telah diberitahu. Meja Bantuan 1Bestarinet akan menghubungi anda untuk mengesahkan tiada sebarang masalah. Melalui pengesahan tersebut, **ID Pentadbir VLE** lama akan **dinyahaktifkan** dalam masa **1 minggu**.

3) URL VLE

Selepas masa yang telah diberitahu, URL VLE untuk sekolah akan berubah mengikut Kod Sekolah yang baharu.

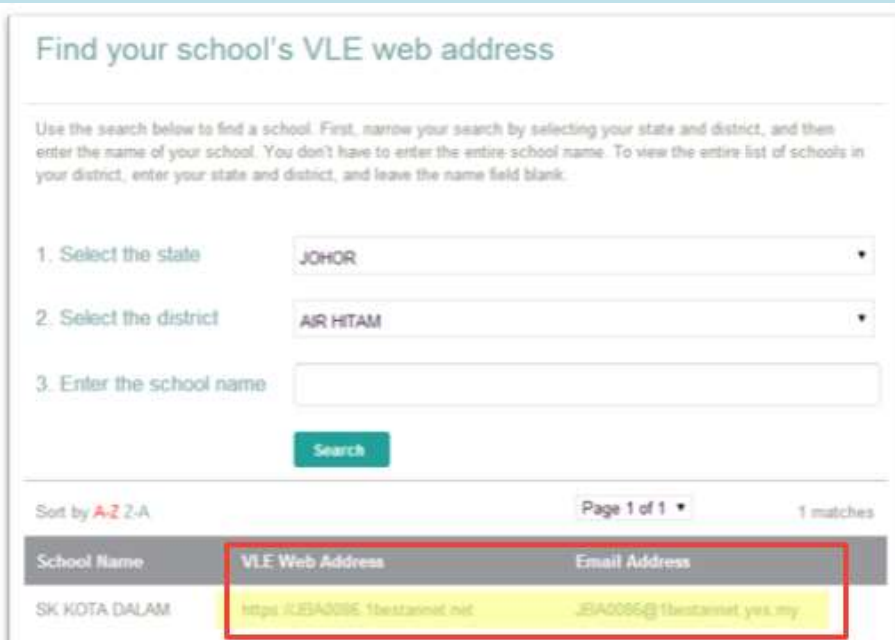

- *Pengguna yang melayari laman Hop In –akan di bawa ke URL VLE yang baharu.*

-*Sekiranya pengguna menaip URL lama secara terus, ia akan di bawa terus ke laman Hop In.*

4) Laman 1Bestarinet.net

Selepas masa yang telah diberitahu, laman web akan dikemaskini dengan alamat VLE yang baharu. Tiada tindakan diperlukan daripada pengguna sekolah.

The screenshot shows a search interface titled "Find your school's VLE web address". It includes instructions on how to use the search, three input fields for state, district, and school name, and a search button. Below the search fields, there are sorting options, pagination, and a table of results. The table has three columns: School Name, VLE Web Address, and Email Address. The first row shows "SK KOTA DALAM" with the VLE Web Address "http://JBA005E.1bestarinet.net" and Email Address "JBA005E@1bestarinet.yes.my". The VLE Web Address cell is highlighted with a red box.

School Name	VLE Web Address	Email Address
SK KOTA DALAM	http://JBA005E.1bestarinet.net	JBA005E@1bestarinet.yes.my

5) SelfCare

ID baharu akan dikemaskinikan di dalam sistem. Tiada sebarang tindakan diperlukan daripada pengguna sekolah.

Sekiranya anda memerlukan sebarang bantuan, sila berhubung melalui telefon/email ke Meja Bantuan 1Bestarinet dan kami akan memberi maklumbalas secepat mungkin. Ataupun, anda juga boleh menggunakan 1BNSelfCare (1bnselfcare.yes.my) untuk menjana tiket aduan dengan menggunakan Kod Sekolah yang baharu.

Terima kasih.

Dear School Admin

Regarding New School Code Change

Please be advised that the school code for your school will be changed in all VLE applications starting on 01-Mar-2017. Following is the list of changes for your easy reference:

#	Changed Entity	Original	Changed To
1	School Email ID	<Kod_Lama>@yes.my	<Kod_Baharu>@yes.my
2	VLE Admin ID	vleadadmin.<Kod_Lama>	vleadadmin.<Kod_Baharu>
3	VLE URL	<Kod_Lama>.1bestarinet.net	<Kod_Baharu>.1bestarinet.net
4	1Bestarinet.net website	<Kod_Lama>	<Kod_Baharu>
5	ID SelfCare (Password is not changed)	<Kod_Lama>	<Kod_Baharu>

Note: Please start using the new credentials as soon as you receive them. School users should not experience any problem if the instructions below are followed.

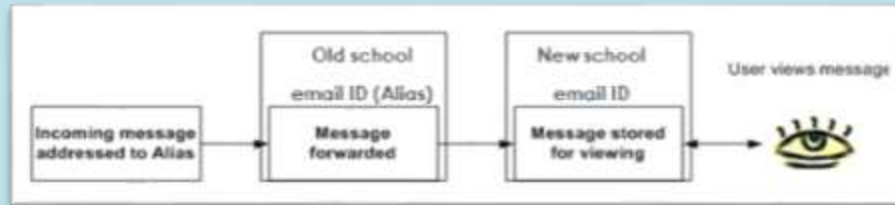

1BN Helpdesk will contact you shortly to **verify** that you are not experiencing any issues as a result of aforementioned changes. Based on your confirmation, following **old IDs** will be **deactivated**:

#	Old ID	Deactivated On
1	VLE Admin ID	1 week after School verification
2	School email ID	1 year after School verification

User Instructions:

1) School Email ID

After New email ID is communicated to the school, old email ID becomes an alias. There is no storage (or mailbox) associated with an e-mail alias. Any email sent to old email ID gets forwarded to new email ID. Mail sent to either address appears in school's mailbox. After you are notified of new email ID, 1BN Helpdesk will contact you to verify if the new ID is working properly. Upon your confirmation, the **old email ID** will be **deactivated** after **1 year**.

Getting used to email alias is as simple as explained below:

- *User can sign in to School email account using new email ID only*
- *All the historical emails received in old email ID will be visible in new email ID*
- *An email sent to old email ID will be forwarded to new email ID.*
- *When user replies to any email or writes a new email, new email ID will be visible to the recipient*
- *After 1 year, the old email ID will be deactivated. Any email sent to old email ID will bounce. School is recommended to start using the new email ID for communication from the date of receiving it*

2) VLE Admin ID

After you are notified of new VLE Admin ID, 1BN Helpdesk will contact you to verify if the new ID is working properly. Upon your confirmation, the **old VLE Admin ID** will be **deactivated** after **1 week**.

3) VLE URL

After the aforementioned date and time, VLE URL for school instance will be changed to reflect the new school code.

- *User journey from HopIn Portal – it will redirect to the new URL*

- *If user directly keys in the old VLE URL in browser, he will be redirected to Hop In portal*

<https://www.yes.my/v3/1bestarinet.do>

4) 1Bestarinet.net website

After the aforementioned date and time, the website will be updated with the new VLE web address and email Address for the school. No action required from School user.

Find your school's VLE web address

Use the search below to find a school. First, narrow your search by selecting your state and district, and then enter the name of your school. You don't have to enter the entire school name. To view the entire list of schools in your district, enter your state and district, and leave the name field blank.

1. Select the state: JOHOR

2. Select the district: AIR HITAM

3. Enter the school name: [Empty field]
